About Miramar Labs

Miramar Labs, Inc.® is a global medical device company dedicated to bringing innovative and clinically proven applications to treat unmet needs in the aesthetic marketplace. Supported by rigorous clinical research, Miramar Labs is focused on addressing medical conditions for which there are significant unmet clinical needs. The company's first priority is the treatment of bothersome underarm sweat, an issue that hundreds of millions of people deal with daily. The miraDry® procedure has an established safety and efficacy profile with over 80,000 patients treated worldwide. Physicians and patients are encouraged to visit www.miramarlabs.com or www.miradry.com for additional information.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and microcap universe.

For those interested in attending, please contact David Scher at david@ldmicro.com or visit www.ldmicro.com/events for more information.
